Associates, on
the east side of
the building.**

Family Care Network **DRIVE THRU EVAL/TEST SITE**

Address:

Family Health Associates
3500 Orchard Place, Bellingham

Patients are scheduled for a specific time:

- Arrive on time to reduce delays for other patients who are waiting.
- There is no need to arrive early.

Drive-thru site is for scheduled FCN patients only:

- Patients needing a medical evaluation will be examined by the on-site provider. The provider will determine if lab tests are needed.
- Patients arriving for COVID/flu testing only must have an existing lab order on file from an FCN provider.

Directions to 3500 Orchard Place:

- From Birchwood Ave, turn on Orchard Place.
- Enter parking lot and follow Family Care Network DRIVE-THRU signs. Please do not block driveway.
- Pull up to the tent. Remain in your car and follow instructions provided by staff.
- If you are getting a COVID/flu test only, your lab orders will be on file at the testing site; you do not need to bring anything with you.

Our top priority is providing appropriate care to our patients; if there is an emergency we will try to notify anyone waiting in line. Please be understanding if there are delays.
